All you need. No more. But no less.

OSHIBORI WELLNESS CLOTH

(GB) Moist terry cloth for cold or warm application with aloe vera fragrance, cloth size: 220 x 220mm. Cold application: Open the package, take the towel out, wipe face and hands. Cool tip for hot days: unfold the towel and wave it in air or remoisten it with water to re chill. Hot application: place the unopened package in a microwave oven at 500 Watts for 10 to max. 15 seconds. Then open the package carefully and take out the towel. Content: 1 Simplee Oshibori cloth with aloe vera.

(D) Wellness Tuch - feuchtes Frotteetuch für die Kalt- oder Warmanwendung mit Aloe Vera Duft, Tuchgröße: 220 x 220 mm. Kälteanwendung: Tuch aus der Verpackung nehmen und damit Gesicht und/oder Hände abreiben. Unser Tipp für heiße Tage: Das ausgepackte Tuch aufalten und kurz durch die Luft wedeln oder mit Wasser neu befeuchten. So wird es immer wieder schön kühl. Heißanwendung: Geschlossene Verpackung bei 500 Watt 10 bis max. 15 Sekunden in der Mikrowelle erhitzen. Danach die Verpackung vorsichtig öffnen und das Tuch entnehmen. Mit Zippverschluss zur praktischen Mehrfachverwendung! Inhalt: 1 Simplee Oshibori Tuch mit Aloe Vera.

(F) Lingette bien-être - Lingette en tissu éponge pour une application à froid ou à chaud avec parfum d'aloë vera. Taille de lingette: 220 x 220 mm. Application à froid: Retirer la lingette de l'emballage et se frotter le visage et/ou les mains. Notre conseil pour les journées chaudes : déplier la lingette retirée et l'agiter brièvement dans l'air ou la réhumecter d'eau. Vous profitez ainsi toujours d'un rafraîchissement bienvenu. Application à chaud : Réchauffer l'emballage fermé à 500 watts pendant 10 à 15 secondes au four à micro-ondes. Puis, ouvrir l'emballage avec précaution et retirer la lingette. Avec fermeture à glissière pour une réutilisation pratique. Contenu : 1 lingette Simplee Oshibori à l'aloë vera.

(I) Telo wellness - Telo in spugna umidificato, per applicazioni a caldo o a freddo, con profumo di aloe vera. Dimensioni del telo: 220 x 220 mm. Applicazione a freddo: Estrarre la salvietta dalla confezione e utilizzarla per frizionare il viso e/o le mani. Il nostro consiglio per le giornate molto calde: aprire la salvietta estratta dalla confezione e agitarla brevemente all'aria oppure inumidirlo nuovamente con acqua. Così sarà sempre piacevolmente fresca. Applicazione a caldo: Riscaldare la confezione chiusa in forno a microonde alla potenza di 500 Watt per 10-15 secondi al massimo. Successivamente aprire con cautela la confezione ed estrarre la salvietta. Con chiusura lampo per comode applicazioni ripetute! Contenuto: 1 panno Simplee Oshibori con aloe vera. CPNP-Ref. 1094907

Manufacturer: Coolike-Regnery GmbH, Lilienthalstr. 2-4, 64625 Bensheim/Germany
Manufactured for: Lifco Dental AB, Verkståregatan 1, 745 39 Enköping/Sweden
