## SIMPLEE® WET WIPES

Alcohol-based, aldehyde-free, ready-to-use wipes (20 x 30 cm) for disinfecting medical equipment and surfaces with a pleasant, fresh scent.

**Broad spectrum of activity:** bactericidal (including MRSA), yeasticidal (*Candida albicans*), tuberculocidal (*M. terrae*), „limited virucidal“ (effective against enveloped viruses such as HBV, HIV, HCV), effective against adenoviruses, noroviruses, and rotaviruses. VAH-listed. Quattro bucket with depot lid to prevent drying out.

Quattro bucket with 150 wipes
